

**FP&A™**

---

Certified Corporate  
**Financial Planning &  
Analysis** Professional

AFP is excited to recognize the most recent class of Certified Corporate Financial Planning & Analysis Professionals.

The Certified Corporate FP&A Professional designation defines universal principles and standards of practice used in performing financial planning & analysis job functions. Those who earn the FP&A credential have demonstrated their understanding of those complex processes, tools and best practices and are recognized as well-positioned to provide insight to strategic business decisions at organizations.

Candidates of the Certified Corporate FP&A Credential must meet education and experience requirements in addition to passing two rigorous examinations.

The following individuals should be congratulated for their achievement and praised for reaching this level of finance professionalism.
